Base and community officials to sign partnership MOU's

ROBINS AIR FORCE BASE, Ga. – Base and community officials will sign three Memorandums of Understanding for Public-Public, Public-Private opportunities Monday at 8:00 a.m. at the Flint Energies, Russell Parkway facility.

This will allow: 1) the sharing of firing ranges between local law enforcement and Robins security forces members; 2) continuing medical education between regional healthcare entities and the base clinic; 3) and work/study programs between regional colleges/universities and the base education office.

“These signings agreements show Robins commitment in creating practical partnerships with our local community”, said Col. Christopher Hill, 78th ABW installation commander.
