RECIPIENTS AND ACHIEVEMENTS

Information Exploitation Squadron, Wright-Patterson AFB, Ohio
The Information Exploitation Squadron’s four operationally diverse missions made significant contributions to national defense, striking deep into the enemy’s strategic and tactical centers of gravity. Its timely signals intelligence, open source, and translation capabilities addressed top Chief of Staff and combatant command priorities. The squadron’s products armed tactical warfighters and national-level policy-makers with actionable adversary intelligence, which resulted in optimized targeting, collection, and exploitation strategies throughout three combatant commands.

75th Aircraft Maintenance Unit, Moody AFB, Ga.
The 75th Aircraft Maintenance Squadron accomplished 22 phases with a stellar 92 percent pass rate, ensuring 100 percent of air tasking orders were met in support of Operation Inherent Resolve. Additionally, the unit supported allied ground forces for Operations Talon Anvil and Tidal Wave II, destroying 389 trucks, halting $40 million per month revenue stream, and enabling air support that liberated 25 percent of Islamic State of Iraq and Levant-held territory.

17th Special Tactics Squadron, Fort Benning, Ga.
The 17th Special Tactics Squadron was consistently deployed for a combined total of 4,015 days, providing synergistic effects to ground force commanders in Afghanistan. The 17th led multiple medical evacuations, combat resupplies, close air support missions, and hostage rescues. They provided valuable training to partner units including Army Rangers and combat Air Force fighter units.
