

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
CONSIDERED AS UNFINISHED BUSINESS (MAY 25, 2011, 3:02 PM)							
1	Wittman (VA)	#49r	R	Would allow the Secretary of the Navy to enter into multiyear contracts for the start of major construction of the Ford-class aircraft carriers designated CVN 79 and CVN 80 and for the construction of major components, modules, or other structures related to such carriers subject to appropriations.	Debate	Agreed to by voice vote	
2	Woolsey (CA)	#19	D	Would eliminate the availability of funds for procurement of the Navy and Air Force V-22 Osprey aircraft.	Debate	Failed by recorded vote: 83 - 334	(Roll no. 343).
EN BLOC #1							
3	Tonko (NY)	#91r	D	Would require the Medical Research program to use RNA technology when conducting research for breast and prostate cancer, battlefield infectious diseases, and rare diseases.	EB 1	Agreed to by voice vote	
4	Hayworth (NY)	#84r	R	Would express the sense of Congress that active matrix organic light emitting diode (OLED) technology displays are an integral factor in reducing the size, weight, and energy consumption of both dismounted and mounted system of the Armed Forces, and that OLED technology is a Defense-critical manufacturing capability.	EB 1	Agreed to by voice vote	
5	Schiff (CA)	#18r2	D	Would require the Secretary of Defense to submit health assessment reports to the Committees on Armed Services of the Senate and House of Representatives when waste is disposed of in open-air burn pits. Each report would include: description of short and long term health risks; methodology, terminology, data, and results used to determine the health risks; and the methodology and reasoning used to continue the use of open-air burn pits for waste disposal.	EB 1	Agreed to by voice vote	
7	Miller, Candice (MI)	#186	R	Would designate the Chief of the National Guard Bureau as a member of the Joint Chiefs of Staff.	EB 1	Agreed to by voice vote	
8	Schock (IL)	#179	R	Would allow a service member with a minor dependent (child under the age of 19) to request a deferment of a deployment to a combat zone if their spouse is currently deployed to a combat zone.	EB 1	Agreed to by voice vote	
9	Baca (CA)	#190r2	D	Would direct the Secretary of Defense to coordinate with each military department to enhance current suicide prevention information sharing services for members of the Armed Forces. Coordinated efforts would occur at various stages of training from their initial enlistment or appointment through their final retirement or separation.	EB 1	Agreed to by voice vote	
10	Cohen (TN)	#132	D	Would add the text of HR 1046, the honor the written intent of our service member heroes (HONOR the WISH) Act, to the bill. Would remove those limitations to allow servicemembers more freedom when making this very personal decision.	EB 1	Agreed to by voice vote	
11	Becerra (CA)	#210r	D	Would provide funding for the United States Military Academy, United States Naval Academy, and the United States Air Force Academy for diversity recruitment activities.	EB 1	Agreed to by voice vote	
13	McNerney (CA)	#70	D	Would express the Sense of Congress that the Secretary of Defense should work with the Consumer Financial Protection Bureau to ensure coordination with the Office of Service Member Affairs to provide financial counseling for service members and their families.	EB 1	Agreed to by voice vote	
14	McNerney (CA)	#133	D	Would strike and replaces section 591 of the bill, which makes it more difficult for Guard and Reserve components to engage in military training missions that also provide assistance to local communities. Would increase to \$20 million the amount that can be obligated for civil-military training operations.	EB 1	Agreed to by voice vote	

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
15	King, Peter (NY)	#61r2	R	Would direct the Secretary of Defense to provide for a program under which members of the Armed Forces of the United States on active duty and serving in Iraq or Afghanistan or hospitalized at a facility under the jurisdiction of the Armed Forces of the United States as a result of a disease or injury incurred as a result of service in Iraq or Afghanistan would receive one-free postal voucher per month to be transferred to loved ones to send packages to the soldiers at no cost.	EB 1	Agreed to by voice vote	
16	Ruppersberger (MD)	#162	D	Would authorize the Secretary of Defense to extend United States Central Command Rest and Recuperation benefits to U.S. Armed Forces assigned to the Egypt Multi-National Force and Observers Mission.	EB 1	Agreed to by voice vote	
17	Carter (TX)	#124	R	Would deem Members of the Armed Forces, and DoD civilian employees who were killed or wounded in the November 5th, 2009 Fort Hood attack to have been killed or wounded in a combat zone as the result of an action of an enemy of the United States. This makes such victims eligible for combat-related benefits, compensations, and awards with the exception of any member of the Armed Forces whose death or injury was the result of willful misconduct.	EB 1	Agreed to by voice vote	
21	Sessions (TX)	#1r4	R	Would create a pilot program for treatment outside of military facilities for members of the armed forces and veterans affected by traumatic brain injury and post-traumatic stress disorder.	EB 1	Agreed to by voice vote	
29	Waters (CA)	#122r	D	Would provide a preference for potential DOD contactors that carry out certain investment and philanthropic activities to bolster education and training in science, technology, engineering, and mathematics (STEM) disciplines. Would also require the Government Accountability Office (GAO) to conduct a study of the implementation of the DOD's current programs for providing assistance to certain educational institutions. The amendment does not create a quota or establish hard-line criteria for awarding contracts – these activities will be one of many criteria DOD can consider in awarding contracts.	EB 1	Agreed to by voice vote	
34	Hayworth (NY)	#202r	R	Would add a Sense of Congress that the Department of Defense shall not convert from private sector to public sector performance any functions or positions that are not inherently governmental in nature.	EB 1	Agreed to by voice vote	
35	Cuellar (TX)	#166r	D	Would direct the Secretary of Defense to establish formal collaboration structure with the Department of Homeland Security to address national security threats along the Southwest border from transnational crime organizations.	EB 1	Agreed to by voice vote	
36	Hunter (CA)	#85r2	R	Direct the Secretary of the Navy to name the next available ship after Marine Corps Sergeant Rafael Peralta. Sergeant Peralta, who grew up in Southeast San Diego, was nominated for the Medal of Honor for smothering a grenade with his body during combat in Fallujah, Iraq. He was posthumously awarded	EB 1	Agreed to by voice vote	
6	Carter (TX)	#125	R	Would expand existing military whistleblower protections, from retaliatory personnel actions, to include communications by Armed Forces Members of ideologically based threats or actions of another Member that the reporting Member reasonably believes could be counterproductive or detrimental to United States interests or security.	Debate	Agreed to by voice vote	
12	Hunter (CA)	#94	R	Would create a five-year pilot program to provide opportunity scholarships to dependent children with special education needs. Opportunity scholarships are set at \$7,500 a year and would be available to approximately 250 children under the pilot program for the purpose of attending a private, public or charter school of choice. The Department of Defense would administer the program, in coordination with the Secretary of Education.	Debate	Failed by recorded vote: 203 - 213	(Roll no. 344)

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
19	Carson (IN)	#65	D	Would direct the Department of Defense to provide mental health assessments to service members during deployment. When possible, these assessments would include review of all past health records originated by the Department of Defense and the Department of Veterans Affairs.	Debate	Agreed to by voice vote	
EN BLOC #2							
44	Hanabusa (HI)	#46	D	Would limit past, present, and future detainees from rights afforded under Compact of Free Association (COFA). Multiple GTMO detainees have or will be repatriated to Palau and with this they possess unrestricted access to the United States to study, work, and reside as "habitual residents" under the rights granted to them under COFA.	EB 2	Agreed to by voice vote	
45	Hanabusa (HI)	#42r	D	Would direct the Secretary of Defense and the OMB to identify programs within the DoD budget that are ineffective, redundant or unused.	EB 2	Agreed to by voice vote	
51	Rogers, Mike (MI)	#151	R	Would require the Department of Defense to repatriate, identify and honor with a military funeral the remains of 13 American Sailors killed during the First Barbary War in 1804. These Sailors are currently buried in a decaying mass grave in Tripoli, Libya. The amendment would require the Secretary to transfer and honor these remains using existing appropriations, and at the conclusion of the	EB 2	Agreed to by voice vote	
52	Campbell (CA)	#136	R	Would terminate the Joint Safety Climate Assessment System of the Department of Defense.	EB 2	Agreed to by voice vote	
58	Garrett (NJ)	#130	R	Would clarify that the United States Congress has not authorized military actions in Libya upon adoption of the National Defense Authorization Act for Fiscal Year 2012.	EB 2	Agreed to by voice vote	
68	Young, Don (AK)	#183r2	R	Would require the Secretary of Defense to submit a report and assessment on the infrastructure needs of Department of Defense designated ports.	EB 2	Agreed to by voice vote	
73	McKeon (CA)	#152r	R	MANAGER'S AMENDMENT Would make conforming changes in the bill.	EB 2	Agreed to by voice vote	
75	Braley (IA)	#209	D	Would require a report from the President, in consultation with the Secretaries of Defense, State and Veterans Affairs, on the long-term costs of military operations in Iraq, Afghanistan and Libya.	EB 2	Agreed to by voice vote	
76	Bishop, Rob (UT)	#4	R	Would clear title to a 2.7 acre of formerly utilized defense land in Ogden Utah which was BRAC'd in 1995 (former Defense Depot Ogden), so that the locally recognized municipal redevelopment authority may proceed to redevelop the property consistent with BRAC redevelopment authorities, and to prevent further waste and deterioration to the building located thereon.	EB 2	Agreed to by voice vote	
77	Bishop, Rob (UT)	#68	R	Would clarify certain terms in military depot statute, modify the DoD's existing reporting requirements to include the 3 previous fiscal years' record of performance at each covered military depot in a table format, and would add the Tooele Army Depot, Utah, onto the list of depots for which annual reporting is required.	EB 2	Agreed to by voice vote	
78	Bishop, Tim (NY)	#55	D	Would express the Sense of Congress urging the Department of Defense to pursue all feasible efforts to recover, identify, and return the bodies of the crew of the Navy Flying Boat George 1 from Thurston Island, Antarctica.	EB 2	Agreed to by voice vote	
79	Bishop, Tim (NY)	#53	D	Would require the Secretary of Defense to submit a report on establishing an active registry for each incidence of a member of the Armed Forces being exposed to occupational and chemical hazards, including waste disposal, during contingency operations.	EB 2	Agreed to by voice vote	
80	Bishop, Tim (NY)	#54	D	Would express the Sense of Congress regarding the efforts by the Department of Defense to keep America safe from terrorist attacks since September 11th.	EB 2	Agreed to by voice vote	

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
81	Blumenauer (OR)	#149	D	Would require the Secretary of Defense to notify the congressional defense committees and the Committees on the Budget, within 90 days, when entering into or modifying an indemnification agreement. This reporting requirement would be exempt in cases deemed by the Secretary to be harmful to US national security interests; for research and development contracts; and, for Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) contracts.	EB 2	Agreed to by voice vote	
82	Blumenauer (OR)	#150r	D	Would modify the Department of Defense's Operational Energy Report criteria to include an evaluation by the Department of practices used in contingency operations to reduce vulnerabilities associated with fuel convoys and a heavy reliance on fossil fuels in the field. Specifically, such an evaluation would examine the implications of improvements in structure and generator efficiency, as well as the displacement of liquid fuels with on-site renewable energy generation.	EB 2	Agreed to by voice vote	
83	Boren (OK)	#75	D	Would prohibit the unauthorized use of names and images of living and deceased military service members on merchandise and retail products without first obtaining permission from the service member or, if deceased, their family.	EB 2	Agreed to by voice vote	
98	DeLauro (CT)	#212	D	Would broaden the definition of entities prevented from receiving Department of Defense contracts to include all entities owned or controlled by, directed by or from, operating with delegated authority from, or affiliated with the Government of the People's Republic of China. Would require the Secretary of Defense to report to the congressional defense and appropriations committees at least 15 days prior to issuing any waiver for this procurement limitation.	EB 2	Agreed to by voice vote	
99	Donnelly (IN)	#50	D	Would improve DoD oversight of private security contractors funded by the DoD by requiring a standard Quality Assurance Surveillance Plan that sets out standards for oversight of all private security contracts, and requiring DoD to designate one official in the country of operations to certify that they have reviewed and are confident of oversight plans for private security contractors.	EB 2	Agreed to by voice vote	
24	Sarbanes (MD)	#200	D	Would strike Section 937 of the bill relating to Modification of Temporary Suspension of Public-Private Competitions for Conversion of Department of Defense Functions to Contractor Performance.	Debate	Failed by recorded vote: 198 - 225	(Roll no. 345).
25	Murphy, Christopher (CT)	#104	D	Would give manufacturers the opportunity to provide information to DoD regarding how their bid for a contract will affect domestic employment. It allows DoD to take this information into consideration, but does not mandate that DoD consider this information when awarding the contract.	Debate	Failed by recorded vote: 208 - 212	(Roll no. 346).
27	Cole (OK)	#142	R	Would preclude an executive agency from requiring an entity submitting an offer for a Federal contract to disclose political contributions as a condition of participation.	Debate	Agreed to by recorded vote: 261 - 163	(Roll no. 347).
28	Garamendi, John	#16	D	Would require the Secretary to ensure that each contractor of the Department of Defense performing a prime contract at a military installation in the United States to set aside 40 percent, by dollar value, of its subcontracting work under the contract for local qualified subcontractors. For purposes of the preceding sentence, a subcontractor shall be considered local if its headquarters is within 60 miles of the military installation.	Debate	Failed by recorded vote: 168 - 256	(Roll no. 348).

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
26	Maloney (NY)	#204	D	Would require public disclosure of information submitted under Section 847 of this act.	Debate	Failed by recorded vote: 176 - 248	(Roll no. 349).
30	Himes (CT)	#187	D	Would require any savings as a result of shifting to civilian employees from contractors within the Department of Defense be directed towards deficit reduction.	Debate	Failed by recorded vote: 184 - 240	(Roll no. 350).
31	Jackson Lee (TX)	#87r	D	Would require the Secretary of Defense, prior to the implementation of the newly proposed outsourcing guidelines, to conduct an assessment to determine the effect of such new outsourcing guidelines on minority and women-owned small businesses.	Debate	Failed by recorded vote: 191 - 232	(Roll no. 351).
32	Andrews (NJ)	#198	D	Would temporarily suspend the implementation and enforcement of workforce management and sourcing policies pursuant to the DOD's "efficiency initiative.	Debate	Failed by recorded vote: 178 - 246	(Roll no. 352).
33	Lee, Barbara (CA)	#171	D	Would return Defense Department spending to 2008 level, with exemptions for personnel and health accounts.	Offer and Withdraw	Withdrawn by UC	
37	Richmond (LA)	#154	D	Would prevent the payment of certain incentives with respect to a Navy shipyard in Avondale, Louisiana, saving the Department of Defense up to \$310 million.	Debate	Failed by recorded vote: 177 - 246	(Roll no. 353).
38	Mica (FL)	#196	R	Would require that the rules of engagement allow any military service personnel assigned to duty in a designated hostile fire area to have rules of engagement that fully protects their right to proactively defend themselves from hostile actions.	Debate	Agreed to by recorded vote: 260 - 160	(Roll no. 354).
39	Flake, Jeff (AZ)	#62	R	Would add a Sense of Congress indicating that the deployment of National Guard personnel along the southwestern border should continue through the end of fiscal year 2011.	Debate	Agreed to by voice vote	
40	Flake, Jeff (AZ)	#22	R	Would repeal the establishment of the National Drug Intelligence Center.	Debate	Agreed to by recorded vote: 246 - 172	(Roll no. 355).
41	Schakowsky (IL)	#21	D	Would freeze Department of Defense funding at current levels until the Pentagon can successfully pass an audit. The amendment contains a national security waiver and exceptions for overseas contingency operations, defense personnel, and wounded warrior accounts.	Debate	Failed by voice vote	
42	Smith, Adam (WA)	#59	D	Would amend Section 1039 to allow transfer of detainees to the US to testify in federal court. Would strike language barring transfer of detainees held abroad to the US. Would require certification by the Attorney General prior to transfer.	Debate	Failed by recorded vote: 165 - 253	(Roll no. 356).

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
43	Buchanan (FL)	#77	R	Would require all foreign terrorists, with links to terrorist networks, who attack the United States or the Government be considered enemy combatants to be tried by military tribunals, not in the civilian court system.	Debate	Agreed to by recorded vote: 246 - 173	(Roll no. 357).
47	Maloney (NY)	#203	D	Would clarify that the exemption from Freedom of Information Act for Data Files of the Military Flight Operations Quality Assurance Systems of the Military Departments is for "information contained in data files of the military flight operations quality assurance system of a military department that would reveal flight patterns or tactical techniques or tactical procedures from disclosure under section."	Debate	Failed by recorded vote: 91 - 329	(Roll no. 358).
48	Mack (FL)	#201	R	Would make changes to the language of the Sunken Military Craft Act of H.R. 1540, the National Defense Authorization Act for Fiscal Year 2012. Would clarify the language of the Sunken Military Craft Act to restore its original intent, and would specify that a sunken military craft would be defined as a vessel only when on military noncommercial service when it sank.	Debate	Agreed to by recorded vote: 227 - 193	(Roll no. 359).
49	Langevin (RI)	#71	D	Would coordinate federal information security policy through the creation of a National Office for Cyberspace, updating information security management practices, and establishing measures for the protection of critical infrastructure from cyberattacks.	Debate	Failed by recorded vote: 172 - 246	(Roll no. 360).
50	Amash (MI)	#155	R	Would strike section 1034 of the bill, relating to the authorization for use of military force.	Debate	Failed by recorded vote: 187 - 234	(Roll no. 361).
53	Campbell (CA)	#137	R	Would terminate the Human, Social, and Culture Behavior (HSCB) Modeling program at the Department of Defense.	Debate	Failed by recorded vote: 63 - 354	(Roll no. 362).
54	Campbell (CA)	#140	R	Would reduce the baseline number of civilian employees at the Department of Defense by 1% every year for the next five years.	Debate	Failed by recorded vote: 98 - 321	(Roll no. 363).
56	Chaffetz (UT)	#63	R	Would require U.S. ground troops to withdraw from Afghanistan, leaving just those who are involved in small, targeted counter-terrorism operations. The amendment would further require the Secretary of Defense to submit a withdrawal plan to Congress within 60 days of enactment.	Debate	Failed by recorded vote: 123 - 294	(Roll no. 364).
59	Rohrabacher (CA)	#81	R	Would remove satellites and satellite components from the Munitions List and make them available to foreign nations. This amendment would, however, also continue the ban on sending such items and technology to China, its allies or terrorist-supporting states as under current law.	Offer and Withdraw	Withdrawn by UC	
60	Polis (CO)	#26	D	Would reduce the amount of troops stationed in Europe to 30,000 and would cut overall end strength levels by 10,000 a year over the next five years.	Debate	Failed by recorded vote: 96 - 323, 1 Present	(Roll no. 365).

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
61	Conyers (MI)	#35	D	Would prevent funds authorized in the Act from being used to deploy, establish, or maintain the presence of Members of the Armed Forces or private security contractors on the ground in Libya unless the purpose of the presence is to rescue a Member of the Armed Forces from imminent danger.	Debate	Agreed to by recorded vote: 416 - 5	(Roll no. 366).
62	Flake, Jeff (AZ)	#25	R	Would eliminate funds for the Mission Force Enhancement Transfer Fund.	Debate	Agreed to by recorded vote: 269 - 151	(Roll no. 367).
63	Ellison (MN)	#37	D	Would strike section 1604, Budget Item Relating to LHA-7 Ship Program.	Debate	Failed by recorded vote: 176 - 241	(Roll no. 368).
64	Sanchez, Loretta (CA)	#102	D	Would reduce the funding for Ground-based Midcourse Defense systems by \$100,000,000.	Debate	Failed by recorded vote: 184 - 234	(Roll no. 369).
65	Quigley (IL)	#180	D	Would reduce RDT&E by 10% throughout DOD.		Not offered	
66	Southerland (FL)	#188r	R	Would strike burdensome limitations on implementation of consolidation of Air and Space Operations that are not standard AF practices.		Not offered	
67	Young, Don (AK)	#214	R	Would require that to the maximum extent possible community housing currently located on federal land under long-term lease be utilized before it is replaced with new construction of on-base housing.		Not offered	
69	Young, Don (AK)	#184	R	Would authorize \$100,000,000 to be appropriated for infrastructure needs and improvements at Department of Defense designated strategic ports.		Not offered	
71	Wilson, Joe (SC)	#11r	R	Would direct the Secretary of Energy, in coordination with the Secretary of Defense and the Administrator for Nuclear Security, to ensure the nuclear waste repository located at Yucca Mountain, Nevada, remains available for the disposal of high-level radioactive waste resulting from the activities of the DOD and the NNSA until a new location for such waste has been sited and approved.		Not offered	
89	Connolly (VA)	#111	D	Would authorize incremental funding of a military construction project for the Intelligence Dominance Center at Fort Belvoir.		Not offered	
100	Edwards, Donna (MD)	#41	D	Would require that the effects on local businesses, neighborhoods, and local governments be included in the analysis of the impacts on transportation infrastructure related to consideration and selection of military installations for closure or realignment (BRAC).	Debate	Agreed to by voice vote	
LEFT AS UNFINISHED BUSINESS (MAY 25, 2011, 11:05 PM)							

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
CONSIDERED AS UNFINISHED BUSINESS (MAY 26, 2011, 10:15 AM)							
110	Inslee (WA)	#156	D	Would give the Department of Defense the authority to provide severely wounded or seriously ill service members, who remain on active duty, with a broad range of rehabilitative equipment including recreational sports equipment that must be specially customized to meet the needs of the service member.	Debate	Agreed to by voice vote	
111	Jackson Lee (TX)	#134r	D	Substitute Would designate a National Day of Honor for members of the Armed Forces who have served in Iraq, Afghanistan, and other combat areas.	Debate	Agreed to by recorded vote: 419 - 0	(Roll no. 370).
134	Runyan (NJ)	#31	R	Would require that the Secretary of Defense establish goals for competition in contracts for the procurement of property or services to be used outside the United States in support of a contingency operation and requires that processes be developed to measure and monitor such competition, including task order categories for services, construction, and supplies.	Debate	Agreed to by voice vote	
141	Thompson, Glenn (PA)	#29	R	Would expand the Department of Defense state licensure exception to qualified and credentialed DOD health-care professionals, including contractors and civilians, and removes the location requirement to better allow our Guard and Reserve access to immediate and efficient care. This amendment is nearly identical to H.R. 1832, the STEP Act.	Debate	Agreed to by voice vote	
148	Turner (OH)	#197	R	Would require a report on the cost-benefit analysis of migrating the management headquarters for the Air Force's Enterprise Logistics System Program Executive Office.	Debate	Agreed to by recorded vote: 300 - 120	(Roll no. 371).
152	Cravaack (MN)	#92	R	Would repeal Title VXII of the Department of Defense Authorization Act, 1985, which authorized the establishment of the United States Institute of Peace.	Debate	Agreed to by recorded vote: 226 - 194	(Roll no. 372).
55	McGovern (MA)	#30	D	Would require: 1) A plan and timeframe on accelerated transition of military operations to Afghan authorities; 2) A plan and timeframe on negotiations leading to a political solution and reconciliation in Afghanistan; and 3) A new National Intelligence Estimate (NIE) on al-Qaeda. The amendment would clarify that nothing in this section limits the president under existing authority to go after al-Qaeda, share intelligence, or modify military strategy and tactics while redeploying US forces under the plan/timeframe required above.	Debate	Failed by recorded vote: 204 - 215	(Roll no. 373).
EN BLOC #3							
70	Petri (WI)	#105	R	Would clarify that direct use solar energy technology is considered a renewable energy source for the purposes of the requirement that DOD obtain 25% of its facility energy from renewable sources by 2025.	EB 3	Agreed to by voice vote	
74	Akin (MO)	#103	R	Would add a Sense of Congress supporting the establishment of long-term contracting authority for the DOD for procurement of alternative fuels.	EB 3	Agreed to by voice vote	
85	Boustany (LA)	#32	R	Would require the Administration to submit to the appropriate committees an implementation plan for achieving the President's "whole-of-government" integration vision and an annual update on the implementation plan. Would require a description of ongoing and future actions planned; a timeline for specific actions taken and planned to be taken; an outline of specific actions desired or required by Congress; any progress made and challenges or obstacles encountered; and other information the President deems necessary.	EB 3	Agreed to by voice vote	

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
86	Carnahan (MO)	#78	D	Would withhold the use of 25 percent of funds authorized for the Afghanistan Security Forces Fund, unless the Secretary of Defense certifies to Congress that the Department of Defense has sufficient management and oversight mechanisms on contracts.	EB 3	Agreed to by voice vote	
87	Coffman (CO)	#48	R	Requires the Secretary of Defense to submit a report to the congressional defense committees on the feasibility and desirability of recycling rare earth elements used by the Department of Defense.	EB 3	Agreed to by voice vote	
88	Coffman (CO)	#47	R	Requires the Secretary of Defense to submit a report to the congressional defense committees on methods to increase the efficiency of the tuition assistance program under section 2007 of title 10, United States Code.	EB 3	Agreed to by voice vote	
90	Connolly (VA)	#112	D	Would direct the Secretary of Defense to submit a report to Congress after 180 days on the estimated cost of expanding the Homeowners Assistance Program to various servicemembers who currently are not eligible under the Permanent Change of Station category.	EB 3	Agreed to by voice vote	
91	Connolly (VA)	#113	D	Would improve the performance of the Federal Acquisition Institute.	EB 3	Agreed to by voice vote	
92	Connolly (VA)	#114	D	Would improve federal internship programs through better management and intern recruitment.	EB 3	Agreed to by voice vote	
93	Connolly (VA)	#115	D	Would take fuel costs into account during the procurement process for tents and other structures, with the goal of reducing fuel convoy-related deaths.	EB 3	Agreed to by voice vote	
94	Carson (IN)	#64	D	Would amend the Department of Defense pre-separation counseling program to provide discharging service members and their spouses with financial and job placement counseling.	EB 3	Agreed to by voice vote	
95	Courtney (CT)	#36r	D	Would transfer the Troops to Teachers program from the Department of Education to the Department of Defense. It would also make several changes to the program that would expand eligibility for service members who have served on active duty since September 11, 2001, expand the number of schools eligible to participate in the program, and create an advisory board charged with improving awareness of the program, increasing participation, and ensuring that the program meets the needs of our schools and our veterans.	EB 3	Agreed to by voice vote	
97	Dent (PA)	#109	R	Would require the Secretary of Defense to conduct a study to measure the domestic capacity in accordance with the Defense Acquisition Regulations System to manufacture ship shafts and other forged components used by surface and sub-surface vessels of the U.S. Navy.	EB 3	Agreed to by voice vote	
101	Ellison (MN)	#38	D	Would require the Secretary of Defense to update the Congressional defense committees on the United States military strategy in Afghanistan in light of the death of Osama Bin Laden.	EB 3	Agreed to by voice vote	
102	Flake, Jeff (AZ)	#24	R	Would require that the Department of Defense make public any written communications from Congress recommending that funds specified in Division D be directed towards a particular project.	EB 3	Agreed to by voice vote	
103	Flake, Jeff (AZ)	#23	R	Would require the Department of Defense to submit a report to Congress justifying the use of funds and detailing the process by which those funds were awarded, for each program element under Section 201 that received an authorization of appropriations that is more than what the President requested.	EB 3	Agreed to by voice vote	
104	Franks (AZ)	#74	R	Would transfer administrative jurisdiction, custody, and control of the Air Force Memorial from the Secretary of the Army to the Secretary of the Air Force.	EB 3	Agreed to by voice vote	
105	Garamendi, John	#12	D	Would require the National Academy of Sciences to Review of Nuclear Waste Reprocessing and Nuclear Reactor Technology.	EB 3	Agreed to by voice vote	

EN BLOC #4

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
106	Hanabusa (HI)	#44	D	Would allow those in the IRR to obtain health insurance through TRICARE for continuity of care.	EB 4	Agreed to by voice vote	
107	Hastings, Doc (WA)	#28	D	Would reauthorize the Department of Energy's Office of River Protection through September 30, 2019.	EB 4	Agreed to by voice vote	
108	Hastings, Alcee (FL)	#128	R	Would add Sense of the Congress language regarding Members of Congress obtaining a comprehensive understanding of the cultures, religions, ethnicities, geographies, histories and politics of nations in which the Armed Force are engaged or are proposed to engage in military action.	EB 4	Agreed to by voice vote	
109	Heck (NV)	#6	R	Would provide DoD with the option to transition to HCFC blend fire suppressant agents to replace its current agent Halon 1211, which is no longer produced and significantly more harmful to the environment.	EB 4	Agreed to by voice vote	
112	Jackson Lee (TX)	#138	D	Would express the Sense of Congress that Post Traumatic Stress Disorder is an increasing disorder affecting returning members of the Armed Forces and access to treatment for this disorder should be expanded.	EB 4	Agreed to by voice vote	
113	Kind (WI)	#119	D	Would allow the Secretary of Defense to enter into a special military cooperative agreement for the operation and maintenance of any State training center certified by the Federal Emergency Management Agency as capable of providing emergency response training.	EB 4	Agreed to by voice vote	
114	Kinzinger (IL)	#60	R	Would prohibit any funds made available by this Act from being used to research, develop, manufacture, or procure a newly designed flight suit for members of the Armed Services.	EB 4	Agreed to by voice vote	
115	Langevin (RI)	#67	D	Would prohibit the transfer of funds from National Defense Education Program K-12 education component.	EB 4	Agreed to by voice vote	
116	Larsen, Rick (WA)	#93r2	D	Would provide authority to the Secretary of State, with the concurrence of the Secretary of Defense, to provide assistance to foreign nations to strengthen that nation's national and regional security interests consistent with U.S. foreign policy interests and with existing law.	EB 4	Agreed to by voice vote	
117	Lee, Barbara (CA)	#117	D	Would prohibit funding to construct permanent military bases in Iraq and Afghanistan.	EB 4	Agreed to by voice vote	
118	Lipinski (IL)	#177	D	Would express a Sense of Congress regarding the establishment of a National Korean War Museum.	EB 4	Agreed to by voice vote	
119	LoBiondo (NJ)	#107	R	Would clarify the SEAD/DEAD report required in Section 334 the FY2011 National Defense Authorization Act.	EB 4	Agreed to by voice vote	
120	Luetkemeyer (MO)	#2	R	Would direct the Secretaries of the military departments to conduct a review of military service records to determine whether certain Jewish American war veterans, including those previously awarded the Distinguished Service Cross, Navy Cross, or Air Force Cross, should be awarded the Medal of Honor.	EB 4	Agreed to by voice vote	
121	Maloney (NY)	#205	D	Would amend Sec 1091 of this act to replace "Critical Infrastructure Information" in every case with "Critical Infrastructure Security Information," add a definition of Critical Infrastructure Security Information, and add a balancing test for the public interest when regarding treatment under the Freedom of Information Act.	EB 4	Agreed to by voice vote	
122	McCollum (MN)	#153	D	Would limit the amount spent on military musical units to \$200,000,000 in fiscal year 2012.	EB 4	Agreed to by voice vote	
123	Miller, Candice (MI)	#185	R	Would direct the Department of Defense to collaborate with the Department of Homeland Security to identify technology and equipment that could be used to secure the border.	EB 4	Agreed to by voice vote	

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
124	Moran, James (VA)	#20	D	Would limit the number of parking spaces the Army would be permitted to use at the BRAC #133 location in Alexandria, Virginia, to 1,000 until there are sufficient traffic mitigation measures in place.	EB 4	Agreed to by voice vote	
125	Murphy, Tim (PA)	#158	R	Would direct the Surgeons General of the Army, Navy, and Air Force to submit a report to Congress on whether additional behavioral health professionals are needed to treat members of the Armed Forces for PTSD and TBI, and offer recommendations for ways to provide incentives for healthcare professionals to join active and reserve components.	EB 4	Agreed to by voice vote	
126	Murphy, Christopher (CT)	#106	D	Would require greater transparency in the issuance of Buy American waivers. Would require an itemized list of articles, materials and supplies for which waivers were sought, an analysis of the domestic capacity to make the waived item, and finally, an explanation in a yearly increase or decrease in Buy American Act waivers.	EB 4	Agreed to by voice vote	
EN BLOC #5							
127	Nugent (FL)	#7	R	Would expand retroactive eligibility of the Army Combat Action Badge to include members of the Army who participated in combat during which they personally engaged, or were personally engaged by, the enemy at any time on or after December 7, 1941.	EB 5	Agreed to by voice vote	
128	Pearce (NM)	#144r	R	Would prohibit the Department of the Army from bundling contracts whose total value is more than \$1,000,000 unless certain criteria are met.	EB 5	Agreed to by voice vote	
129	Pompeo (KS)	#82	R	Would waive the time limitation for the award of the Medal of Honor to Father Chaplain Emil Kapaun for heroic deeds during the Korean Conflict. This time waiver is necessary prior to the award of the Medal of Honor by the President.	EB 5	Agreed to by voice vote	
130	Pompeo (KS)	#83	R	Would clarify the Medal of Honor process by requiring the Secretary of Defense, rather than the respective military service secretary, to submit the Department of Defense recommendation to Congress. This will ensure the potential Medal of Honor award is supported by the Secretary of Defense prior to Congressional action.	EB 5	Agreed to by voice vote	
131	Reed (NY)	#66	R	Would designate TAPs as the National Song of Remembrance and prescribes procedures during the sounding of TAPs.	EB 5	Agreed to by voice vote	
132	Richardson (CA)	#10r	D	Would instruct NorthCom to develop a leadership strategy, relationships, and guidelines to work with State and Local authorities in the event of a major incident. NorthCom would have to develop leadership training to improve their ability to exert leadership despite the limitation of the Posse Comitatus Act.	EB 5	Agreed to by voice vote	
133	Rigell (VA)	#90	R	Would direct the Secretary of Defense to develop and implement a plan to address shortfalls in operational contract support requirements determination, management, oversight, and administration.	EB 5	Agreed to by voice vote	
135	Sanchez, Loretta (CA)	#100	D	Would increase the funding for the Global Threat Reduction Initiative. The offset will be derived from the Aerostat Joint Project Office.	EB 5	Agreed to by voice vote	
136	Shuster (PA)	#123	R	Would provide a three year extension of authority to the Secretary of Defense to use acquisition and cross-servicing agreements (ACSAs) to loan certain equipment to coalition partners for the purpose of enhancing personnel protection and aiding in personnel survivability in coalition operations, in certain peacekeeping operations, and in connection with training for deployment to such operations.	EB 5	Agreed to by voice vote	
137	Sanchez, Loretta (CA)	#98	D	Would require a report assessing the nuclear forces of the Russian Federation relative to the New START Treaty.	EB 5	Agreed to by voice vote	
138	Sanchez, Loretta (CA)	#146	D	Would increase funding for the operation of the Defense Nuclear Facilities Safety Board by \$2,500,000. The offset would be derived from Joint Tactical Radio System Maritime-Fixed radios.	EB 5	Agreed to by voice vote	

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
139	Smith, Adam (WA)	#34	D	Would require the President to develop strategies to address a prioritized list of areas that serve or could serve as potential safe havens for al Qaeda and its violent extremist affiliates. The amendment would further require the agencies involved in executing the strategies to sign a memorandum of understanding to enhance interagency cooperation in executing the amendment.	EB 5	Agreed to by voice vote	
140	Smith, Adam (WA)	#195	D	Would require a report on Research and treatment of Post-Traumatic Stress Disorder.	EB 5	Agreed to by voice vote	
142	Thornberry (TX)	#72	R	Would protect private sector companies participating in the Defense Industrial Base (DIB) Active Cyber Defense Pilot Project from potential liability as an agent of the government. The pilot project is a 90-day pilot with defense contractors and internet service providers to test an active defense capability in cyber security.	EB 5	Agreed to by voice vote	
46	Tierney (MA)	#174	D	Would officially recognizes the City of Salem, Massachusetts, as the birthplace of the National Guard of the United States.	EB 5	Agreed to by voice vote	
143	Tierney (MA)	#160	D	Would require the Department of Defense to submit a report to Congress assessing the manufacturing industry of the United States. The report would include, among other requirements: A) an assessment of the current manufacturing capacity of the United States as it relates to the ability of the United States to respond to both civilian and defense needs; B) an assessment of the tax, trade and regulatory policies as they impact the growth of the manufacturing industry in the United States; C) an analysis of the factors leading to the increased outsourcing of manufacturing processes to foreign nations; and D) an analysis of the strength of the United States defense industrial base, including the security and stability of the supply chain and an assessment of the vulnerabilities and weak points of that supply chain.	EB 5	Agreed to by voice vote	
144	Tierney (MA)	#131	D	Would establish a working group to monitor the foreign police training programs, projects, and activities of the various Federal departments and agencies and coordinate and unify such programs, projects and activities under a single strategic framework. The interagency working group shall consist of representatives from the Departments of Defense, State, Justice, Homeland Security, Treasury, and Energy, the United States Agency for International Development, and the Millennium Challenge Corporation.	EB 5	Agreed to by voice vote	
145	Tierney (MA)	#165	D	Would create an Assistant Secretary of Defense for Contingency Contracting to be the principal advisor of the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology and Logistics on matters relating to planning, funding, staffing, and managing contingency contracting for the Department of Defense. Would also rename and expand the Office of Program Support in the Office of the Under Secretary of Defense for Acquisition, Technology and Logistics as the Office of Contingency Contracting.	EB 5	Agreed to by voice vote	
146	Turner (OH)	#88	R	Clarifies the intent of section 1055 by explicitly allowing activities determined by the Secretary of Defense to be necessary to ensure the continued safety, security, and reliability of the nuclear weapons stockpile.	EB 5	Agreed to by voice vote	
147	Turner (OH)	#89	R	Would create an additional exception allowing for the reductions, withdrawals, or consolidations of non-strategic nuclear weapons in Europe, when made pursuant to either a Treaty or authorized by an Act of Congress.	EB 5	Agreed to by voice vote	
EN BLOC #6							

H.R. 1540 FLOOR AMENDMENT ORDER

Floor #	Sponsor	Rules Log	Party	Description (From Committee on Rules)	Action	Outcome	Roll No.
18	Boswell (IA)	#120r	D	Would grant the Secretary of Defense the discretion to also use funds retained in Section 646 for substance abuse prevention programs provided to the military community surrounding the commissary store where the alcoholic and tobacco products are purchased while ensuring that the enhanced commissary stores receive necessary funds.	EB 6	Agreed to by voice vote	
20	Boswell (IA)	#110r2	D	Would require DoD and VA to conduct a joint study on the incident rate of breast cancer of service members who have deployed to Iraq and Afghanistan under operation Iraqi Freedom and Operation Enduring Freedom.	EB 6	Agreed to by voice vote	
84	Boswell (IA)	#121	D	Would add a Sense of Congress that a focus on alternative, self-sufficient energy sources that reduce costs in the long term should be part of consideration for contracts for logistics support of contingency operations.	EB 6	Agreed to by voice vote	
22	Pascarell (NJ)	#219	D	Transfer of Defense Centers of Excellence for Psychological Health and TBI	EB 6	Agreed to by voice vote	
23	Pascarell (NJ)	#220	D	Report on Memorandum regarding traumatic brain injuries	EB 6	Agreed to by voice vote	
57	Davis, Susan (CA)	#182r2	D	Would fence 50% of the funds from the Afghanistan Infrastructure Fund to ensure that the women of Afghanistan are an integral part of the reconciliation process between the Afghan Government and the Taliban.	EB 6	Agreed to by voice vote	
72	Davis, Susan (CA)	#181r	D	Would designate Fleet Readiness Center Southwest as the Lead Maintenance Technical Center for United States Navy unmanned aerial systems.	EB 6	Agreed to by voice vote	
96	Davis, Susan (CA)	#33	D	Would modify a current GAO reporting requirement on TRICARE Standard and Extra from "bi-annual" (twice a year) to "biennial" (every two years).	EB 6	Agreed to by voice vote	
150	Young (IN)	#27	R	Would provide the Secretary of Defense with the authority to use funding to carry out a program designed to reintegrate former low-level Taliban fighters into Afghan society. The program would be subject to a certification made by the Secretary of State that such a reintegration program is necessary to support the goals of the U.S. in Afghanistan and that the Department of State and the USAID are unable to carry out a similar program of reintegration because of the security environment in certain areas.	EB 6	Agreed to by voice vote	
151	Walz (MN)	#127	D	Would require DOD to submit a report to Congress outlining a plan that would ensure access to the Guard and Reserves for missions short of war, as recommended by the Quadrennial Defense Review directed Comprehensive Review of the Guard and Reserve.	EB 6	Agreed to by voice vote	
149	Turner (OH)	#76r	R	Would include a Sense of Congress that any commercial communications that interferes with the Global Positioning System (GPS) should not receive final authorization by the Federal Communications Commission until the potential interference with GPS is resolved.	EB 6	Agreed to by voice vote	
	Schrader (OR)		D	Motion to recommit H.R. 1540 with instructions. The instructions contained in the motion seek to report the same back to the House with an amendment to increase the maximum amount of special pay for Combat Troops subject to hostile fire or imminent danger to \$325 per month. The increase in pay will take effect on October 1, 2011 and apply to months beginning on or after that date.	Debate	Failed by recorded vote: 185 - 233	(Roll no. 374).
				Passage H.R. 1540 - National Defense Authorization Act for Fiscal Year 2012		Passed by recorded vote: 322 - 96	(Roll no. 375).
